Learning & Development

General Assembly

Lead Instructor

3/22 to Present
New York, NY

- Served as the primary instructor for multiple classes of up to 30 adult students in an intensive full stack coding bootcamp
- Taught students the fundamentals of HTML, CSS, and JavaScript, MongoDB, Python, and SQL
- Taught students frameworks and libraries such as React.js, Mongoose, Peewee and others.

All Star Code

Lead Instructor

6/21 to 3/22
Remote

- Served as the primary instructor for multiple classes of 20 high school and early college-aged young men in an intensive coding bootcamp
- Taught students the basics of CS and the fundamentals of HTML, CSS, and JavaScript as well as the p5.js and Firebase
- Acted as an outreach ambassador to other non-profits and prospective students

Hashtag Labs

Software Engineer

8/19 to 3/21
New York, NY

- Worked with a team to design and implement numerous user interface features using Node and Vue.js to increase ease of use and extend functionality
- Incorporated API features that allowed for broader revenue sourcing while simultaneously reducing user workload
- Used proprietary software to create customized ad solutions for clients' individual needs, improving their ad revenue by as much as 30% without detracting from their user experience
- Acted as the primary point of contact and customer service representative for numerous clients

Per Scholas | General Assembly

Jr. Full Stack Web Development Fellow

1/19 to 7/19
New York, NY

- Completed the 5-month Per Scholas Codebridge program which improved my programming skills through daily development of various web applications.

Kaizen Media Group

Content Generator

10/17 to 11/18
New York, NY

- Researched and wrote ten articles a week on a wide range of subjects
- Organized content in Wordpress with a focus on increasing time spent on each page to maximize ad revenue
- Curated images to accompany stories in compliance with Facebook's advertising standards

Level Solar

Sales Consultant

3/16 to 10/17
New York, NY

- Generated leads through door to door interactions with homeowners
- Managed a sales team of eight and was responsible for their training, setting their daily, weekly, and monthly goals, and ensuring those goals were met
- Won several sales competitions including having most sales company-wide on three separate occasions
